## Property Management

### CONSTRUCTION & PROPERTY MANAGEMENT

From design, permitting, and construction all the way through the certificate of occupancy, and final delivery, we manage the entire process.

We achieve economies of scale and value-added opportunities through our reputation, construction volume, contractor relationships, and years of proven experience.

### BUILDING OPERATIONS

Ensuring business continuity is essential to maintaining a profitable bottom line for any real estate asset.

Our team manages all day-to-day operations, customer service requests, and work orders, as well as maintenance and repairs for tenants, reducing unanticipated fees and ensuring smooth operations for our clients.

### CAPITAL IMPROVEMENT PROJECTS

Our team has extensive knowledge and experience in designing and managing capital improvement projects.

- Parking lot repairs
- Elevator modifications
- Chiller replacements
- Electrical upgrades
- Roof replacements
- ADA restrooms
- Energy management system installation
- Fire sprinkler installation
- Smoke detection system replacement

### CURRENTLY MANAGED PROPERTIES
